RE: BICYCLE REGISTRATION & STORAGE CLEAN UP

I have noticed that there are several bicycles in the storage room that do not have bicycle decals. If you have not requested a bicycle decal, please call or e-mail me. Bicycles not claimed by May 1, will be given to charity.

Also please check to see if any items stored in the storage room belong to you. Items not stored in the storage lockers will be disposed of.

We appreciate your cooperation in this matter.
